

Public Forum Question and Response

Subject: Drug ICE and local education about drugs

Question from: Mr Vincent De Luca OAM

Meeting Date: 27 March 2007

Question: Asked the following questions to Council.

I note Council's previous advice that SHOROC was considering running a program from February 2007 looking at the use of illegal drugs, could Council please advise the status of this matter?

Response:

The Director Customer and Community Services advised that the proposed forum had been referred to the SHOROC Safe Communities Steering Committee as it was considered to be a regional issue. A strategy to address the problems of drugs and alcohol on the Northern Beaches is being developed by the Steering Committee. A project plan will be taken to the next SHOROC Executive Meeting by the Administrator and the General Manager on 18 April 2007 and then to the Steering Committee on 24 April 2007.
