

Council Meeting – 9 June 2009

Question Without Notice

Clr De Luca

GREEN RUBBISH BINS

I refer to correspondence received from Mr and Mrs Eric and Noreen Roberts concerning difficulties that will be experienced by Warringah's elderly and disabled with the new green rubbish collection. What can council do to address and overcome the problems that will be experienced by the elderly and the disabled?

Answer: The Director Community and Environmental Services advised that she would take the question on notice.
