

1. Questions on Notice

Traffic congestion and obstruction intersection of Pittwater and Fisher Roads

Could Council please investigate and liaise with if necessary the relevant NSW Government Department the synchronization of the traffic lights at Fisher and Pittwater Roads Dee Why, and the lights near Pacific Pde, where there is high congestion due to cars banking up and obstructing traffic due to the non-synchronisation of the respective traffic lights?

2. Question on Notice

Continuing malfunctioning street lights Harbord and Abbott Roads

Could Council please liaise with Ausgrid so it permanently fixes the continuing malfunctioning street lights at the intersection of Harbord and Abbott Roads?

3. Question on Notice

Installation of traffic lights and removal of parking outside Collaroy Cinema and shops

What public consultation has or will be undertaken regarding the installation of traffic lights outside the Collaroy Cinema and shops prior to a decision being made on this proposal?
