

12.5**Notice of Motion No 59/2011
Public Submissions Opposing 6-8 Malcolm Street
(DA2011/0952)**

Submitted by: Councillor Vincent De Luca OAM

Motion

That this Council resolves to:

1. Note with concern the significant number of public submissions opposing the application at 6-8 Malcolm St (DA2011/0952) which included concerns as to:-
 - Building height and scale
 - Adverse impact on neighbouring residences
 - Adverse impact on the street scape and surrounding area by way of bulk and scale and traffic generation
 - Adverse impact on privacy
 - Compatibility with the street's character ie houses
 - Overshadowing
 - Non-compliance with Built Form Controls
 - Problems with car parking and traffic congestion
 - Inadequate local infrastructure
 - The development application if approved is not in the public interest
2. That in support of residents', the elected Council calls on the WDAP to refuse the application.
