RESPONSE

The Local Business Event held in Council Chambers on 28 June 2013 was organised in conjunction with the local Chambers of Commerce and other businesses within Warringah as a networking and business development opportunity.

Warringah and Pittwater Council's Regional Economic Development Coordinator was instrumental in bringing all parties together for the first time in Council Chambers to host this event.

In addition to the networking and business partnering opportunities discussed, senior Council staff presented the new Community Strategic Plan, Dee Why Town Centre, website and branding.

The Business Community event cost \$2,338.
