

14.1 **Question on Notice No 18/2011
Staff Terminations, ETP and Redundancies**

Submitted by: Councillor Vincent De Luca OAM

Question

In the last 12 months to date what is the total amount of money paid out for staff terminations, eligible termination payments and redundancies?

Response

Eligible termination payments are made for many different reasons to a range of staff, for example, those who have resigned, reached the end of their contracts, been made redundant or terminated for disciplinary breaches.

Such payments also cover a range of entitlements including but not limited to, payment of outstanding time in lieu, payment for frozen sick leave entitlements, payment in lieu of notice, and ex- gratia payments. In the course of preparing this response, it has become apparent that the provision of full details for such payments over the last 12 months is a significant time consuming exercise and therefore not within the usual scope of a Question on Notice.
