

Congratulations Narrabeen Ladies' Amateur Swimming Club on your 80 years

What a great article “Narrabeen swimmers diving into history in exhibition” concerning the 80th Anniversary of the Narrabeen Ladies' Amateur Swimming Club now Narrabeen Lakes Amateur Swimming Club.

How fortunate we are on the northern beaches to have had so many extraordinary women in our community with the initiative to start sporting organisations like Narrabeen Ladies' Amateur Swimming Club. Indeed, the northern beaches has such a proud history in swimming and we are the home to Australia's oldest Ladies' Swimming Club, Dee Why Ladies' Amateur Swimming Club which was founded in 1922.

Narrabeen Ladies' Amateur Swimming Club has had a huge impact in our community over the last 80 years and indeed at the State, National and International levels with one of its long serving Presidents, the late Anne Hatton BEM, making swimming history and becoming a senior Official at the 1964 Olympics in Tokyo.

Congratulations to all those who have served our community through Narrabeen Ladies' Amateur Swimming Club and every best wish for the 80th Anniversary.
